After all, our ministries offer impact for the full expanse of life from conception to death. COVID-19 has certainly meant many changes to the lives of individuals, businesses and organizations, and the Roman Catholic Diocese of Albany is no exception. The Diocesan Appeal would have been launched in church around Easter but we knew our parishioners needed time to adjust. Just like our parishes that are pivoting to serve, the Diocese has as well, and expenses for both continue. In an effort to be mindful of the stresses on staff & resources at the parish level, the Diocesan Appeal will now be managed principally by the RCDA Office of Stewardship & Development. Through your gift, in partnership with your parish and the Diocese of Albany, we will be able to continue to serve you and our faith communities. Thank you!

Grace & Peace,
